

Privacy Statement

SensUs Student Competition 2024

Effective as of 31-10-2024

As the organization of SensUs, we greatly value transparency in what we do. It is in our ethics to respect the privacy of students, members of the organization and other parties whose personal data we process. This statement is a means to communicate our motivations clearly and in an understandable manner.

The SensUs Organization has been in contact with the Data Protection Officer (DPO) of Eindhoven University of Technology and the Legal Desk of The Gate Brainport Eindhoven in drafting this policy. The latest version of this privacy statement can be found on the SensUs website, i.e. <https://www.sensus.org/regulations>.

The SensUs Organization processes personal data for purposes including administrative tasks (e.g. towards the competition) and operational management to protect legitimate interests of SensUs and third parties. The SensUs Organization will adequately protect the personal data it processes, e.g. by enabling two-factor authentication as an added security layer.

Personal data refers to information about an identified or identifiable natural person. If any personal information is stored with non-personal information, the combination will be considered as personal information. If the SensUs Organization removes all personal information from a set of data, then the remaining data is non-personal information.

1. Contact details

Responsible for the processing of personal data is:

SensUs Organization
Matrix, Groene Loper 10
Postbus 513
5612 AV Eindhoven, The Netherlands

The secretary can be reached through contact@sensus.org.

Please contact the SensUs Organization if you have any questions regarding the privacy statement, practices of the SensUs Organization, or if you are seeking to exercise any of your statutory rights.

2. Rights of data subjects

The General Data Protection Regulation (GDPR) gives you rights with which you can exercise control over the processing of your personal data. A request for information, inspection, rectification, addition, removal or restriction of the processing can be submitted in writing to contact@sensus.org. The request will be responded to as soon as possible, but no later than four weeks after its submission. If the period of four weeks is not reasonably feasible, you will be informed thereof within this period.

The SensUs Organization implements appropriate technical and organizational measures to ensure and to be able to demonstrate that processing is performed in accordance with GDPR legislation. An example of this is enabling two-factor authentication for the SensUs Organization and SensUs Organization Alumni who have access to the personal data as an added security layer. These measures are to be reviewed and updated where necessary, in accordance with the DPO of Eindhoven University of Technology.

The SensUs Organization ensures that the information and communication are provided to you or any data subject in a concise, easily accessible and understandable way, and in a clear and plain language. The language will be attuned to the target group.
